

Medication List — Carers Record

This sheet helps carers keep an accurate and up to date record of prescribed and over the counter medications. Keep it somewhere accessible or share with health professionals in emergencies.

Tips for use:

- Keep this sheet somewhere accessible in case of emergency.
- Update immediately when medications are started, changed, or stopped.
- Include over the counter medicines and supplements.
- Consider sharing an up to date copy with your GP or pharmacist.

Date last updated: _____ Carer name: _____
